Combination Skin Concentrate

PRODUCT ID: 2013

Serum med ekstrakt af smørfarvetræ, som har en positiv effekt på fedtet hud og akne, ved at bidrage til at mindske talgkirtlernes aktivitet og gøre hudens porer mindre synlige. To typer af hyaluronsyre i kombination med glycerin sørger for intens fugt, og mindsker ubehag fra en stram og tør hud. Æbleekstrakt bidrager med sit indhold af gallic acid og malic acid, til at eksfoliere hudens overflade, så den fremstår mere ensartet og med en friskere glød. Ekstrakter af blåbær, tranebær, ramsløg, persille og brombær bidrager med potente antioxidante egenskaber, som lysner og gør hudens tone mere ensartet. Velegnet til kombineret hud.

HOW TO USE: Apply a few drops to freshly cleansed skin.

CONSISTENCY: Light gel

AROMA: -

Bright & Smooth Skin Texture Concentrate

PRODUCT ID: 2014

Serum med ekstrakt af smørfarvetræ, som har en positiv effekt på fedtet hud og akne, ved at bidrage til at mindske talgkirtlernes aktivitet og gøre hudens porer mindre synlige. Æbleekstrakt bidrager med sit indhold af gallic acid og malic acid, til at eksfoliere hudens overflade, så den fremstår mere ensartet og med en friskere glød. Ekstrakt af ramsløg bidrager med antioxidante egenskaber fra sit indhold af beta-caroten og C-vitamin, som lysner og gør hudens tone mere ensartet. Velegnet til fedtet hud, akne og hud med en ujævn eller ru overflade.

HOW TO USE: Apply a few drops to freshly cleansed skin.

PRODUCT ID: 2027

HOW TO USE: Spray on freshly cleansed skin or during the day.

CONSISTENCY: Fluid

AROMA: -

PERIOD AFTER OPENING: 6 months

IDEAL FOR: Mature Skin.

PROPERTIES: Wrinkle-Refining, Hydration.

INGREDIENTS: Aloe Barbadensis Leaf Juice**, Propanediol, Khaya Senegalensis Bark Extract, Hydrolyzed Sodium Hyaluronate, Pyrus Malus (Apple) Fruit Extract^, Lauryl Glucoside, Polyglyceryl-2 Dipolyhydroxystearate, Glycerin, Maltodextrin, Benzyl Alcohol, Dehydroacetic Acid, Perfume. **Certified Fairtrade and Organic. ^Upcycled.

INONOTUS OBLIQUUS (MUSHROOM) EXTRACT

Common name: chaga mushroom (DK: birke-spejlporesvamp). Offers anti-redness and calming properties.

KHAYA SENEGALENSIS BARK (MAHOGANY) EXTRACT

Common name: african mahogany (DK: afrikansk maghoni). Stimulates the synthesis of Collagen 18, and improves skin elasticity by preventing the destruction of native collagen fibers.

BIXA ORELLANA SEED (RED LIP TREE) EXTRACT

Common name: achiote (DK: smørfarvetræ). Decreases Sebum Production (An extract of Bixa Orellana seeds, Bix'Activ addresses the dermatological roots of this skin condition by restricting overproduction of lipids in sebaceous glands).

PISUM SATIVUM (PEA) EXTRACT

Common name: geen pea (DK: grønne ærter). A rich source of antioxidants coming from ellagic acid, beta-sitosterol, gallic acid, and quercetin, which help to reduce and slow down the formation of fine lines, dark spots and other signs of aging, while also providing calming benefits. Contains oligosaccharides providing prebiotic abilities to feed the good bacteria in the skin's microbiome. These prebiotic abilities help to reduce factors leading to redness and other signs of sensitivity.

RUBUS FRUTICOSUS (BLACKBERRY) LEAF EXTRACT

Common name: blackberry (DK: tornfri brombær). Provides antioxidant and soothing abilities from its content of phenolic acid, ferulic acid, caffeic acid and quercetin which help to reduce and slow down the formation of fine lines, dark spots and other signs of aging.

PYRUS MALUS (APPLE) FRUIT EXTRACT

Common name: apple (DK: æble). A rich source of polyphenolic antioxidants which help to reduce and slow down the formation of fine lines, dark spots and other signs of aging, while also providing calming benefits. Loaded with proteins, starch, sugars (fructose, glucose, sucrose), acids (malic and gallic acid), vitamins and salts. Helps to improve skin hydration, while also offering smoothing, mildly exfoliating and brightening properties.

VACCINIUM MYRTILLUS (BILBERRY) FRUIT EXTRACT

Common name: bilberry (DK: blåbær). A rich source of antioxidants coming from anthocyanins, which help to reduce and slow down the formation of fine lines, dark spots and other signs of aging, while also providing calming benefits.

VACCINIUM MACROCARPON (CRANBERRY) FRUIT EXTRACT

Common name: Cranberry (DK: tranebær). Provides antioxidant and soothing abilities from its content of proanthocyanidins which help to reduce and slow down the formation of fine lines, dark spots and other signs of aging.

ALLIUM URSINUM (RAMSON) EXTRACT

Common name: ramsons/wild garlic (DK: ramsløg). A rich source of beta-carotene and vitamin C. Offers antioxidant and skin brightening abilities, which help to reduce and slow down the formation of fine lines, dark spots and other signs of aging.

PETROSELINUM SATIVUM (PARSLEY) EXTRACT

Common name: parsley (DK: persille). A rich source of vitamin K, vitamin C and vitamin A. Offers antioxidant and skin brightening abilities, which help to reduce and slow down the formation of fine lines, dark spots and other signs of aging.
